the interfaith movement which began with the 1893 world's parliament of religions in chicago has grown worldwide although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to one world the most ambitious organization in today's interfaith movement is the united religions initiative uri founded by william swing the episcopal bishop of california investigative reporter lee penn a catholic ex marxist exhaustively documents the history and beliefs of the uri
